

MahaNakhon Hosts Trunk Show by Corto Molto at The Ritz-Carlton Residences. Jan 27-29, 2012

The Corto Molto Bangkok Trunk Show is an exclusive shopping event where designer Gabriele Corto Molto himself presents the Spring/Summer 2012 accessories collection. Bangkok is the first city in South East Asia where this collection is available after the Corto Molto flagships in Paris and Milan. The latest designs of handbags are presented in the David Collins inspired residence, matching the style and glamour of one of this season's most sought after collections, unveiled in the luxurious MahaNakhon Pavilion's Ritz-Carlton Residences.
